FRC, LLC ("FRC" or "Applicant") hereby submits this application to the South Carolina Public Service Commission ("the Commission") for a Certificate of Public Convenience and Necessity, pursuant to S.C. Code Ann. § 58-9-280 and the rules and regulations of the Commission, to permit it to provide local exchange and exchange access services throughout the State of South Carolina. In addition, FRC requests flexible regulation of its local service offerings pursuant to Order No. 98-165 in Docket No. 97-467-C. In support of this application, the following is shown:

Email: grey.humphrey@palmettonet.com

4. The following toll-free number is available for customer service inquiries:

1-800-277-4105

5. Applicant was organized as a Limited Liability Company in the State of South Carolina in 1999. A copy of Applicant's Certificate of Existence issued by the South Carolina Secretary of State is attached hereto as Exhibit A. FRC is made up of two members, PalmettoNet, Inc. and SCANA Communications, Inc., both of which are certificated to provide telecommunications services within the State of South Carolina, as well as in certain other states.

6. In 2006, by Commission Order No. 2006-469 in Docket No. 2006-42-C, Applicant received a certificate from the Public Service Commission of South Carolina to provide intrastate telecommunications services as a "carrier's carrier" throughout the State of South Carolina.

II. DESCRIPTION OF PROPOSED SERVICES

7. Applicant proposes to provide local exchange service and exchange access services to residential and business customers throughout the State of South Carolina. All services will meet any service standards that the Commission may adopt. In addition, although FRC seeks

authority to provide local exchange and exchange access services throughout the entire State, FRC is willing to abide by the conditions previously established by the Commission before a competitive local exchange carrier may provide such services within the service area of a rural incumbent local exchange carrier.

8. A complete description of Applicant's services and rates is set forth in the illustrative tariff, which is attached hereto as Exhibit D. Maximum and effective rates for services cannot be determined until interconnection and/or resale agreements are entered into with the applicable incumbent local exchange carrier ("ILEC") and, therefore, are either left blank or designated with "\$X.XX" or similar designation in the illustrative tariff. Applicant will file with the Commission a final tariff with maximum rates, and a price list with effective rates, once Applicant has a resale/interconnection agreement in place. Maximum and effective rates for the services listed in the illustrative tariff will be competitive with rates for similar services offered by the applicable ILEC.

III. TECHNICAL, MANAGERIAL, AND FINANCIAL QUALIFICATIONS

9. As demonstrated in Applicant's prior certification proceeding, FRC has the technical, managerial, and business experience and resources necessary to provide the services for which it requests authority, as shown in Exhibit B. FRC has extensive experience in providing telecommunications services and, in addition to its South Carolina certificate, is authorized to provide telecommunications services in North Carolina and Georgia. SCANA Communications, Inc., one of FRC's two members, is certificated to provide telecommunications services in South Carolina, North Carolina, and Georgia. PalmettoNet, Inc., the second member of FRC as well as its Manager, is authorized to provide telecommunications services in South Carolina and Georgia.

10. Applicant has the financial resources needed to provide the services for which it

requests authority. The most recent audited financial statement for FRC, for the periods ended December 31, 2005, and December 31, 2006, is attached hereto as Confidential Exhibit C and filed in a separate package marked "Confidential and Proprietary." Also attached as Confidential Exhibit C are an unaudited Balance Sheet and Income Statement for year ended December 31, 2007. FRC is requesting confidential treatment of these financial statements and, therefore, is filing concurrently with this Application a Motion for Protective Treatment of Financial Statements.

IV. PUBLIC INTEREST CONSIDERATIONS

11. Approving Applicant's request will serve the public interest. FRC will enhance competition in the State of South Carolina by offering additional service options and high service quality to South Carolina telecommunications users. FRC's entry into the South Carolina market will also provide an efficient use of existing telecommunications resources.

12. Applicant's provision of service will not adversely impact the availability of affordable local exchange service and will not otherwise adversely impact the public interest. Applicant will support universally available telephone service at affordable rates.

V. REGULATORY COMPLIANCE AND WAIVER REQUESTS

13. Applicant will provide services that meet the service standards that the Commission may adopt.

14. Applicant, to the extent it may be required to do so by the Commission, will participate in the support of universally available telephone service at affordable rates.

15. Applicant requests that the Commission continue in effect all waivers previously granted in Order No. 2006-469 in Docket No. 2006-42-C.

16. Applicant requests a waiver of any rule or requirement to publish and distribute local exchange directories. If necessary, FRC will enter into an agreement with directory publishers

of other local telephone companies to include the names of any customers in those directories.

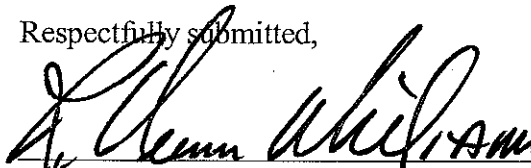

17. Applicant also requests that the Commission regulate any local exchange telecommunications services it may provide in accordance with the principles and procedures established for flexible regulation in Order No. 98-165 in Docket No. 97-467-C.

18. Moreover, Applicant reserves the right to seek any other regulatory waivers that may be required for Applicant to compete effectively in the South Carolina telecommunications market.

VI. CONCLUSION

In view of the foregoing, Applicant respectfully requests that the Public Service Commission of South Carolina issue to FRC, LLC, a Certificate of Public Convenience and Necessity to provide local exchange and exchange access service throughout the State of South Carolina. Applicant further requests that its rates and tariffs be regulated in accordance with the principles and procedures established for flexible regulation, as more fully described herein, and that all waivers requested be granted. A proposed Notice of Filing and Hearing is attached hereto as Exhibit E.

Respectfully submitted,

- 2.6.4. A Customer shall be credited for an interruption of two (2) hours or more at the rate of $1/720^{\text{th}}$ of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

$$\text{Credit Formula:} \quad \text{Credit} \quad \frac{A}{720} \times B$$

- 2.8. Contested Charges.
